Doha British School (DBS) University

What is DBS University?

DBS University is our exciting, new format for extra-curricular activities at DBS AK. We are hoping that it will provide opportunities for children to develop new interests, hobbies and skills, and help children to develop key life skills. We want our pupils to believe in themselves, to be ambitious and be the best they can be.

The DBS University programme actively seeks to promote a self-belief that if you want to go to university and you are intelligent, work hard and are resilient - you can succeed.

Character Development Traits

DBS University aims to develop key character traits in children that will enable them to be successful in the future. We focus on 7 characteristics throughout the programme:

1. Honesty & Integrity
2. Resilience
3. Respect
4. Inquisitiveness
5. Self-confidence
6. Community Spirit
7. Ambition and Motivation

These traits will feature throughout the modules we offer, as well as having specific life skills sessions throughout the programme.

Graduation

Children who take part in DBS University will graduate at the end of each year, if they successfully complete all elements of the programme. Each year that the children graduate, will result in a higher level of graduation.

- First year of DBS University - Diploma
- Second Year - Bachelor Degree
- Third Year - Master's Degree
- Fourth Year – PHD

Each year of graduation will require different criteria and different levels of participation. As it is a new programme, all children will start at Diploma level.
