October 20 2022

Dear parents,

I am writing to you this week to confirm the opening hours of our school during the countdown to the forthcoming FIFA World Cup 2022. As per the guidance published recently by MOEHE officials, school will begin at 07.00 and end at 12.00 each day for students from Tuesday November 01 until the term ends on Thursday November 17. Students' timetables will remain unchanged internally with regards to subjects delivered by teachers, but lessons will be reduced to forty minutes each in order to accommodate the new timings.

We will continue to offer both break and lunchtime provision to students even though the day itself is shorter, but ECAs will not be offered during this period. The final day for students to access ECAs is Monday October 31 before this provision resumes at the beginning of term 2.

Along with all citizens and residents of the country that we are all proud to serve, we fully support this ministerial plan and we are very excited about the showcase event that is the FIFA World Cup 2022. During the final week, we will be holding some World Cup themed events, all of which will be communicated in due course by our heads of school and none of which will have any expectations of parents buying national football team kits or any other items!

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
