## AL WAKRA

*Our core purpose is that every young person should gain as much as possible from our school,  
based on our belief that all learners can, need and want to achieve.*

November 17 2022

Dear parents,

Thank you to all members of our wonderful DBS Wakra community for their ongoing support over the course of a long, but very successful, first term of this academic year. As always, the role played by parents in regards to offering feedback and supporting learning at home has proved to be hugely effective and for this I am very grateful indeed.

The first term of this academic year has been unique in many ways, not only in its timings because of the FIFA World Cup which begins next week but also due to the accolades bestowed upon our school. Since we returned to school in August, for example, we have been granted [CIS membership](#) as part of our ongoing accreditation process and received the highest grade possible ('Highly Effective') during our [QNSA inspection](#). In addition, our current Year 12 students have received their certificates for their outstanding performance during last summer's IGCSE examinations during a celebration event earlier this week. With our [new campus](#) due to open in 2024 as well, clearly these are very exciting times to be a member of the DBS Wakra community.

We return to school on Monday January 02, with normal timings resuming. This means that we expect students to arrive promptly at 07.00 once again and to also be collected punctually at 13.30. ECAs will resume on Sunday January 08, with the form for choices being published during the first week back. I would also be grateful if parents could address any uniform issues before students return to school for term 2, with missing items such as ties replaced so that all of the young people in our care can be dressed smartly in their complete and correct DBS uniforms each day.

Finally, copied below is a link to our usual half-termly survey for parents. Many members of our community took the time to complete our first survey, which was sent out a few weeks ago, and I would be very grateful indeed if this could be the case once again. The questions on this survey are the same as on the previous occasion so that we can measure progress on each item over time:

Survey: <https://forms.gle/ekprg17Tfvu5abKp7>

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.
