## AL WAKRA

*Our core purpose is that every young person should gain as much as possible from our school,  
based on our belief that all learners can, need and want to achieve.*

January 05 2023

Dear parents,

Thank you to all parents for their support with another strong start to a new term. Since school resumed earlier this week, we have seen the vast majority of our DBS Wakra community adhering strictly to timings and ensuring that students are dropped off and collected on time each day. This really helps both our school to run smoothly and students to access as much quality learning as possible in lessons, and I am – as always – hugely grateful that we are all playing our parts in maintaining the high standards we insist upon at all times.

Term 2 has also brought us some winter weather, but there are no changes to our uniform expectations. Students can wear additional DBS-branded items, such as jumpers or fleeces, for example, but they should not be wearing hoodies or other non-uniform items on the campus. Again, parental support for this matter is always very much appreciated.

Our ECAs will resume next week on Tuesday so that we have sufficient time to ensure that our offer is complementing our formal curriculum to the fullest extent. Mr Kutts will be coordinating this process and will communicate the offer, as well as our expectations of how it will work, this week.

Thank you also to all parents who took the time to complete the survey which was sent out in November, at the end of term 1. The results were very pleasing (100% of respondents stated that they were happy with the education we provide and that they would recommend DBS Wakra to family or friends, for instance) and the comments written during the free text option will, as always, be scrutinised with care and used to improve our provision, wherever possible.

Earlier this week, parents were also sent another survey, this time via CIS ([Council of International Schools](#)) as part of our ongoing accreditation process. This follows from the [preparatory visit report](#) we received during term 1 and the results will be used to inform our next steps ahead of our forthcoming team evaluation visit, which will take place during the first term of the next academic year.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.
