Week Commencing the 13th November 2022

WHAT HAVE WE BEEN LEARNING THIS WEEK?

PRESCHOOL

The anticipation that led up to this day... the preschoolers really did us all proud. We made country flags, we decorated football kits, made a shiny trophy, and made a poster that represents our country. It was so beautiful seeing all our nationalities celebrated under one roof.

Reception

What a great week! We've had lots of fun completing our activities to celebrate the World Cup. We made instruments, flags and buildings based on Senegal and The Netherlands. For International Day, we travelled between classes with our passports and we visited Qatar, Hawaii, England and Spain!

Year 1

Year 1 have had a jam packed week for the final week of term! They have written their Discovery Narratives, made puppets AND celebrated International Day in style. This was all rounded off by enjoying football themed activities for World Cup Week. They have designed kits, made posters and created musical instruments for our countries.

YEAR 2

What a final week we have had! In English, we have finished our hot write task based on the Night Gardener. We completed and designed, posters, kits and musical instruments based on Wales and the USA. In Foundation, we completed a letter to Christopher Colombus!

Year 3

Year 3 are very excited about the World Cup. They have completed lots of activities to celebrate the occasion. Also, they completed their hot task in English and we are very proud of their progress. In Foundation, they joined 2 pieces of material together using a needle and thread. In Science, the children discovered how fossils are formed.

Year 4

Year 4 smashed their final week of term! Test us on our 3, 6 and 9 times tables (we are experts). We became geologist and dived into Scandinavia, identify human and physical features of the land. In design and technology we began to plan our very own Viking bracelets applying our knowledge from history.

Year 5

This week, Year 5 have been getting into the World Cup spirit by designing posters for France and Cameroon. We also completed research and fact files on all the countries competing in the World Cup. Furthermore, we designed new football kits for each team. In English, we published our third person character narratives! In Maths, we converted between mixed numbers and improper fractions and we compared fractions.

YEAR 6

Year 6 have gone World Cup crazy this week! We started by researching about a country of our choice and creating a fact file. We also created a poster on Spain and Portugal and designed a new football kit for them, as well as drew significant Spanish and Portuguese landmarks. In English, we published our flashback narratives! In Design and Technology, we designed and made sandwiches for our refugee survival kits!

Español

Everyone who has a
birthday during the
holidays.**

School is now closed for the winter break. We will recommence Monday 2nd January and return to normal school hours. All the staff would like to extend their thanks for all the support from parents this term. It has been successful in many ways, and we enjoy that success because of the strong relationship between school and home.

One of the most important things you can do during the holidays is to continue reading daily. It can be books, e-books, audiobooks, comics or websites. Aim for 20 minutes.

For our younger children, hearing adults read stories is essential to their development.

Congratulations to our Y3/4/5/6 classes for coming 1st in the South League Indoor Athletics competition which took place during their PE lessons at the start of this term. Pupils from each class were scored across a range of events; the pupils with the highest scores from each class are pictured below. A very big well done to you all!

Primary Weekly Brief

Week Commencing the 13th November 2022

Here is a small selection of photographs from our brilliant international day. We have 38 different nationalities at DBS Wakra, which we are immensely proud of and love learning about. But two things unite us- Qatar is our home, and DBS Wakra is our school. For those reasons, we are one community; tolerant, respectful and understanding of different cultures.

Thank You
