These children have had their birthday this week

As you might have seen on our socials, Mr Braithwaite, Mr Kutts, and Miss Jones were part of a team of six who took part in the Qatar East to West Ultra run, a distance of 90km. Of course, we are proud of that incredible achievement, and the awful weather meant we had to demonstrate remarkable resilience. As we celebrate this success, we would also like to continue celebrating the children's successes out of school. So many DBS Wakra students take part in out-of-school activities. If your child achieves a certificate, a trophy, a new belt, a medal, or similar, then please, either send them to school on a Thursday with the award so we can celebrate in assembly or send the class teacher some pictures or videos that can be posted on our socials.

If the nurse phones you about your child being sick, it is because, in her professional opinion, they need to be taken home to seek further medical guidance or to protect the rest of the class and teacher from catching the same illness. We appreciate that it can cause inconvenience for you to leave work, but our priority is the health and safety of all pupils. If she recommends a child going home, our school policy states that that must happen, and your cooperation with this is appreciated.

Thank You
