## **Our Mission**

Is to prepare all pupils through a relevant, challenging curriculum and well-resourced facilities, to become lifelong learners contributing to a global community

Dear Parents,

I hope you are well?

This week we have celebrated languages week and world languages day. It has been a great way to celebrate the rich diversity of our wonderful community and all of its amazing talents of our students. Next week will be mental health awareness week and students will have an assembly and access to optional activities with the school counsellor.

Thank you for your patience with the school canteen provider, we have been pleased to see it back open as a service that our students are able to use.

The school is required to hold a log of covid vaccine information for all students on roll here. Please complete the following form for each child at DBS Wakra;

Many Thanks in advance for your support with completing this.

We are continuing to monitor the weather and we have experienced a small cooling during the past week. This has meant that students are eager to spend more time outdoors and are increasingly eager to be active. Please can I ask that you remind students about the importance of remaining hydrated and safe in the sun, using sunscreen and where appropriate seeking shade or rest inside the building.

In the secondary school, students have one full parents evening in each academic year. This will be supported by 3 academic reports that will be sent home on a termly basis. We have two parents evenings scheduled in October. The first being Wednesday 19th October for Year 11, followed by Wednesday 26th October for Year 8. Full details of the appointment booking process will be shared very soon. Parents evenings for our other year groups will follow later in the academic year.

I would like to remind everyone that next week is school as normal on Sunday to Wednesday with *school closed on Thursday 6th October*, making an extended weekend.

Congratulations to all of our stars of the week, in particular, Maya Haddad in Year 12 on being named overall winner for the week.

Kind Regards

Austin Sheppard, Head of Secondary, DBS Wakra
