## Message from Mr Sheppard, Head of Secondary

This week began with the sad news of the passing of Queen Elizabeth II of England, news which has impacted on communities throughout the world. We marked the occasion in this week's secondary assembly with a minutes silence to reflect on her life. For those that would like to leave a message, we have a book of condolences located within the reception area here at DBS Wakra. The state funeral is taking place on Monday 19<sup>th</sup> September at 1300 hrs local time. We will be remaining open for school as normal on the day and as such will expect to see students in school.

As always, this has been another busy week in school this week with lots to celebrate for our students. It was great to unveil all of the successful Secondary Council representatives, with our Head Boy and Girl team playing a key role in the assembly also. We celebrated the awarding of our first athlete of the month award for August, which went to Masa Samara of 8B. It is so great to see our students enjoying PE and sports. We also celebrated our Stars of the week with Khadija Al Hor taking the overall prize.

We were unable to take student photos for our in school data base today due to unforeseen staffing availability issues and as such have rearranged for Sunday 18<sup>th</sup> and Monday 19<sup>th</sup> of September. Please can all students arrive wearing school uniform and bring PE to change into, on this one occasion.

On Wednesday 21<sup>st</sup> September we would like to invite the parents of Year 7 and 12 students at 4pm to the school for a settling in event. There will be an opportunity to hear from myself and members of my senior team and to meet the tutors.

We are pleased to be to start our careers events for students in Key Stage 4 and 5. On Sunday, We are hosting and University fair for students Year 11 and 12. On Tuesday we are being visited by Mike Eden from University of Waterloo, who will be delivering a Mathematics lecture Year 10, 11 and 12 students. Following this I am excited that our Year 11 and 12 students will then be visiting University Expo Qatar University. I hope this is the start of many more opportunities this academic year.

Kind Regards

Mr. Austin Sheppard
