

DOHA BRITISH SCHOOL

AL WAKRA

Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

April 06 2023

Dear parents,

This week, via our social media accounts, we were immensely proud to celebrate the achievements of three of our students – all from the same family – who have been incredibly successful with activities outside of school. The boys have enjoyed impressive success in both chess and table tennis tournaments, including representing Qatar at national level.

It will always be the case that, as teachers in a school which seeks to sit at the heart of the community which it is proud to serve, we want to celebrate the achievements of our students outside of school, and this week's letter is essentially a request for parents to continue to inform us whenever the young people in our daily care have anything to celebrate. There are many ways to communicate with teachers at DBS Wakra, and – if parents are happy to share this information – we will always be keen to learn about what our students are doing well outside of their academic learning. Indeed, if parents send us photos and text, we would be delighted to share this via our social media accounts.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
