

DOHA BRITISH SCHOOL

AL WAKRA

*Our core purpose is that every young person should gain as much as possible from our school,
based on our belief that all learners can, need and want to achieve.*

June 01 2023

Dear parents,

Yesterday evening, we held an opening evening for families who may be considering enrolling their children as students at DBS Wakra. This is ahead of an additional session – an open day – on Saturday June 17 when we will once again talk to any interested parents about the benefits of students attending a school which is not only [BSO outstanding](#) but also a [CIS member school](#) and which was judged to be 'highly effective' (the highest possible grade) during our [2022 QNSA inspection](#).

We know, however, that the vast majority of new admissions to our school decide to come to DBS Wakra because they have been told about us via existing members of our school community. Indeed, most parents of new students indicate to us that DBS Wakra is recommended to them by friends or family members. As DBS Wakra is a school where over half of our students are siblings of each other and an even greater number belong to extended family groups, this reasoning makes a lot of sense.

With this in mind, I would be grateful if parents could continue to inform any friends or family who might not have already enrolled their children with us of just how strong our school is. We are moving towards the end of our time on our current campus, with our [our new campus](#) opening in August 2024, but we will also be open to extending a warm welcome to families who may not yet have found out about just how wonderful a school community we are.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
