

DOHA BRITISH SCHOOL

AL WAKRA

*Our core purpose is that every young person should gain as much as possible from our school,
based on our belief that all learners can, need and want to achieve.*

May 18 2023

Dear parents,

I am writing to you this week to bring to your attention an excellent opportunity which our DBS Wakra students may wish to pursue once they have completed their academic journeys in our school. Doha British School is managed by Artan Consulting and Educational Services (ACES). ACES being the only end-to-end education provider from K-12, Higher Education and Lifelong learning. The ACES portfolio includes City University College which is in partnership with Ulster University (CUC Ulster) and Qatar Skills Training Academy. ACES prides itself in providing a continuum pathway of learning from school to **CUC Ulster University**, which offers internationally recognised UK degree programmes in Qatar. At CUC Ulster University, students have a selection of cutting-edge degree programmes that are highly sought after in today's job market. Some of the most popular programmes include the region's **ONLY BEng in Artificial Intelligence**, as well as a **BSc in Computer Science**, **BSc in Business Analytics**, and more (please see flyer attached). These programmes are designed to equip students to excel in today's rapidly evolving job market.

In addition, CUC Ulster University is the first campus established outside of the UK by Ulster University, which is the second-largest university on the island of Ireland. This means that our students are able to gain access to a world-class education without having to travel abroad. We are delighted to inform you that there are no application fees for DBS Wakra students who wish to apply to CUC Ulster University. Additionally, our students may also be eligible for partial scholarships, making this opportunity even more accessible and affordable.

If you or your child is interested in exploring this opportunity further, I encourage you to visit **cuc-ulster.edu.qa/register** to register for more information. Alternatively, you may call **+974 40 198 198** to speak with a counselor who will provide you with all the necessary details.

Parents should also note that early bird applications are being accepted until 30th June, 2023. Taking advantage of this early application period will increase your chances of securing a spot in your desired program. We believe that this collaboration with CUC Ulster University presents a remarkable chance for our students to pursue their higher education goals. We encourage you to consider this opportunity and explore the wide range of programs available at CUC Ulster University.
