Dear parents,

Traffic Awareness at DBS

Dear Parents,

We hope this message finds you well.

We would like to remind the whole DBS community about the importance of traffic awareness and safety:

- **Stop in a safe area:** Do not stop or unload passengers in the middle of the road. This can create dangerous situations.
- **No Overtaking:** Refrain from overtaking into oncoming traffic. Everyone is waiting their turn, and patience is vital for safety.
- **Seatbelts:** Ensure that all children wear their seatbelts correctly in the car. Seatbelts are essential for their safety.
- **Speed Limit:** All drivers should maintain a maximum speed of 30 KPH near the school. Slower speeds greatly enhance safety.
- **Slow Driving:** Drive very slowly around the school, especially during peak drop-off and pick-up hours.
- **Crossing the Road:** Please ensure that children are encouraged to look both left and right for traffic when crossing the road and all Primary students to hold hands with an older sibling, parent, family member, nanny or driver.
- **Supporting Security:** Please cooperate with the security and senior staff as they manage traffic flow. Their guidance is crucial for the safety of everyone.
- **Kindness and Respect:** Please be kind and respectful to fellow drivers and DBS staff. Keeping children safe is of the utmost importance.

It is important that the community works together to ensure the safety of everybody, especially that of the children.

If you have any questions, concerns, or suggestions regarding traffic safety please email me directly.

Together, we can work towards a safer environment for all.

Thank you for your understanding and support.
