AL WAKRA CAMPUS

*Our core purpose is that every young person should gain as much as possible from our school,
based on our belief that all learners can, need and want to achieve.*

October 05 2023

Dear parents,

As has been the case over recent academic years in our school, we will be hosting frequent parental workshops for our DBS Wakra community during both this and subsequent terms. Our first parental workshops of this academic year are as follows:

- ☐ Primary: "All About Tapestry" EYFS workshop on Sunday the 8th of October at 13:00
- ☐ "Early Reading Reception to Year 2" on Sunday the 15th of October to start at 13:15
- ☐ Secondary: "Helping Your Child to Succeed" on Wednesday 18th of October at 14:15

In order to ensure that we are delivering workshops on topics that parents feel are important to them, I would invite parents to inform me of any areas where they feel that a deeper understanding is required. This could, for example, be around how safeguarding works in our school, the apps and platforms we use for home learning or how the English National Curriculum underpins the teaching and learning delivered in classrooms, for example. Our aim is also to be a school which engages effectively with our community, and it is essential that we listen to the views and perspectives of our parents at every opportunity.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
