Dear parents,

Please see below a letter written to all parents by our Friends of DBS group:

We offer parents the chance to represent their countries or regions at International Day next month by setting up a stall with a maximum of two tables. You can display cultural artefacts, share information about your homeland, organise a cultural fashion show, encourage students and parents to wear cultural outfits on International Day, and even offer traditional food samples.

In addition to setting up stalls, we are also looking for parents who would like to volunteer to offer Henna art or other fashion-related displays or activities and perform and prepare students for a cultural dance or other traditional performances. If you are interested in participating in International Day by representing your culture at a stall, please let us know by completing [this form](#).

We will do our best to accommodate all interested parents, but space is limited, so please respond as soon as possible

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
