AL WAKRA CAMPUS

Our core purpose is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve.

September 28 2023

Dear parents,

On the final day of our first half-term of this academic year, on Thursday October 19, we will hold our annual International Day. Further, more detailed, information about this event will be communicated in due course, but we intend for it to be as memorable as ever and for our plan to not only enable students to dress in clothing which reflects the cultures and traditions of their home countries but also to celebrate the uniquely diverse internationalism of our wonderful DBS Wakra community.

Our Friends of DBS group, which met earlier this term, have already formed some exciting ideas about how they might support our International Day, but if there are any parents who are not part of this group but would like to also come forward with suggestions, then they are more than welcome to do so.

We are both a proudly international school and a community which is honoured to represent the great State of Qatar. Our commitment to global citizenship can also be seen in the following statement, which was formed in consultation with teachers, students and parents earlier this year:

- ☐ We are an international community with a clear understanding of our shared values and common goals
- ☐ We respect our unique cultures and different beliefs and backgrounds, and we work together to proudly serve our local and global communities
- ☐ We aim to behave ethically and sustainably through our own actions so that we can set an example for others to follow

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
