Dear parents,

Thank you to all parents who took the time to complete our recent first half-termly survey of this academic year. Our aim with surveys is always to gain an as accurate as possible insight into what parents think about our school so that we can then adjust plans or make improvements wherever possible. We strive to be an outward-facing school which genuinely listens to all stakeholders and which tailors approaches in order to best serve our community.

With this in mind, and in the spirit of transparency in which we seek to operate, the results of the parental survey are outlined below:

	Yes	No
1. Are you happy with the education that DBS Wakra is providing for your child?	95.6%	4.4%
2. Do you feel that you child is given appropriate challenge/support with their learning?	95.5%	4.5%
3. Does DBS Wakra communicate clearly and effectively with parents?	91.1%	8.9%
4. Do you feel confident that you could communicate easily with a teacher if you had a concern?	97.8%	2.2%
5. Would you recommend DBS Wakra to family or friends?	97.7%	2.3%

In the free text option, where we asked parents not only what DBS Wakra is currently doing well but also what we could do to improve our provision, a number of important points were noted, including certain aspects of our curriculum and school facilities & resources. Parents should rest assured that all suggestions will be considered and that improvements will be sought, wherever possible.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
