February 08 2024

Dear parents,

Monday February 12 is the final day of the first half of the second term of the 2023/2024 academic year! Thank you to all parents for their wonderful support for our school during this period. The second half-term commences on Sunday February 18 2024 at the usual time of 07.00. I wish all families a safe, restful and enjoyable short half-term break.

Copied below is a link to our third half-termly parental survey of this academic year. I would be very grateful indeed if as many parents as possible could complete the survey as honestly as possible:

<https://forms.gle/nrXbEwnnhkqQcxyt9>

Our aim with surveys is always to gain an as accurate as possible insight into what parents think about our school so that we can then adjust plans or make improvements wherever possible. We strive to be an outward-facing school which genuinely listens to all stakeholders and which tailors approaches in order to best serve our community.

Surveys are not the only way in which parents can present their views to either teachers or senior leaders, of course. We have intentionally sought to provide constantly open channels of communication between home and school and parents should find it very easy to either speak to teachers in person each day or to liaise via whichever online format works best for them.

After each round of surveys, which also includes questions for students and teachers, we will feed back to our DBS Wakra community about what the general feelings are about our school and what specific points we are able to address in a positive manner. The feedback from our half-termly parent surveys so far this academic year is as follows:

	Term 1.1 Yes	Term 1.1 No	Term 1.2 Yes	Term 1.2 No
1. Are you happy with the education that DBS Wakra is providing for your child?	95.6%	4.4%	92.3%	7.7%
