November 23 2023

Dear parents,

As you are all aware, our new state-of-the-art DBS Wakra campus will open in August for the commencement of the 2024/2025 academic year. Available [here](#) are renderings of internal features which I am sure that all parents will be very interested in seeing and which are being worked on tirelessly at this moment. Our new campus will have world-class facilities unrivalled in our local area and will complement the outstanding teaching & learning already in place.

External renderings of our new campus have been available for some time, of course, and parents can also view these images via the same link above, as well as seeing the location of the school.

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
