

DOHA BRITISH SCHOOL

AL WAKRA

*Our core purpose is that every young person should gain as much as possible from our school,
based on our belief that all learners can, need and want to achieve.*

January 25 2024

Dear parents,

I am writing this week with an update to our new DBS Wakra campus, which is very much on track to be open for the commencement of the 2024/2025 academic year. It is an exciting time for our school, with the state-of-the-art facilities due to be on offer likely to be unrivalled anywhere in the local area. Our students will not only be able to access the first-class teaching & learning which they currently experience, but also a campus which both meets and exceeds their learning needs.

As this academic year progresses, both Mr. Hurst and I will be sure to provide our community with further updates, including final timelines for completion and information about the transition from our current campus to the next. In the meantime, if parents are not already aware, more detailed information about our new campus, including renderings and a recent video, can be found [here](#).

As always, if any parents would like to contact me directly regarding this information, I would welcome them to do so via the email address below.

Yours sincerely,

Steven Miles.
