Primary Weekly Brief

Week Commencing the 4th February 2024

WHAT HAVE WE BEEN LEARNING THIS WEEK?

PRESCHOOL

A week filled with tons of different activities, different schedules and a load of fun to be had is a week loved by the Preschoolers. A lot of enthusiasm, passion and drive went into this week with the obstacle course, the bucket races, the yoga, the zumba, and the Playball. Next week is going to be a short, simple and sweet week for the little ones.

Reception

What a busy, fun, active week it has been for Tiger s and Koalas! We were very excited to have our very own sports day in our school playground! We have practiced sport and wellness through different activities : games, dance , sponge and bucket challenge , yoga, and healthy eating . We made sure we cheered for our friends as they took part and congratulated them on a job well done, whether they came first, second or third, hooray ,WE ARE THE CHAMPIONS! We ended this amazing week with a wonderful parade and a fruit salad at the end of the day. What a delicious ending of a fabulous week!

Year 1

Year 1 have had such a jam-packed week! They have thrived during SHaW week and loved the range of activities. Some of our favourites were; Sports Day at Wakra Sports Club, our Shared Breakfast and Tug-of-War! This week was so important for community spirit. Year 1 showed that they can be supportive of one another through victories and disappointment - well done!

YEAR 2

Year Two have had a very rewarding week of sporting activities. We have acquired and developed a range of skills that we will continue to apply in our P.E. lessons. We have had many opportunities to apply our team building and sportsmanship skills, supported our friends in times of need and celebrated each others accomplishments. Well done, Year Two. We are very proud of you!

Year 3

What a busy week we have had! Year 3 have shown incredible sportsmanship and teamwork. We took part in a variety of activities including Tug-of-war, basketball, football, making fruit salads and of course our sports day. Year 3 have done a fantastic job of cheering each other on and trying new activities. Well done Year 3!

Year 4

What an incredible S.H.A.W week in Year 4! We showed great community spirit in our houses this week and cheered on our teammates through a variety of sporting activities. It was incredible to see children's dedication and motivation thrive in order to achieve a huge success! Great job Otterguars, we are so proud of you!

Year 5

We have had a brilliant SHAW week! The children have participated in various activities such as basketball, tug of war, dodgeball, benchball and bucket and sponge relay races! They have all showed great team spirit and worked together across Year 5. That didn't stop us from working equally as hard in the classroom - we completed our Hot Task in English and wrote a biography. We also continued our work on division with remainders using bus stop method. In Foundation, we have discussed reasons why people were for and against stopping slavery.

YEAR 6

We've had such a fun-filled SHAW Week and have witnessed some excellent attitudes and behaviours towards the activities! Whether it's the bucket and sponge relay, benchball, obstacle race or even meditation, you have all shown incredible community spirit by cheering your house on and encouraging others. Well done to you all for your great sportsmanship this week!

Español

Spanish classes have been a little different this week due to the brilliant Shaw week with lots of different activities and timetables. The children have had the opportunity to review vocabulary in relation to food, sport, wellness, wellbeing, etc.

Music

This week Primary students have been playing games and singing the songs related to SHAW week. It was great fun and an unforgettable experience to make sport activities with motivational music.

Congratulations

This week in school has been SHAW week. SHAW stands for Sports, Health and Wellbeing. It has been an incredible week of sporting achievements, fitness challenges and competition. But, it has also been a momentous week to recognise the role sport and exercise play in mental health. We often hear the phrase ‘Healthy Body, Healthy Mind,’ and this week has highlighted that. Not only have children been seen to be concentrating for longer, but they have also been more positive, more supportive of each other, happier and more energetic.

Discussions around mental health should be had regularly. Recognising emotions, feelings, and responses to different situations is part of our daily routine in school and should be done at home. Parents can act as role models in this regard. As a school, we will continue encouraging families to exercise regularly and engage in competitive sports. It enables children to work as part of a team and feel like they belong, instilling resilience, self-confidence, and respect.
