

### **Secondary Newsletter**

Banhow

18th January 2024

#### **Our Purpose**

Is that every young person should gain as much as possible from our school, based on our belief that all learners can, need and want to achieve

#### **Our Vision**

Is to be a vibrant, welcoming international school that provides a first class education enabling pupils to thrive within a dynamic, global environment

#### **Our Mission**

Is to prepare all pupils through a relevant, challenging curriculum and well-resourced facilities, to become lifelong learners contributing to a global community

Dear parents,

The secondary curriculum page of our school website can be found <u>here</u>. On this page, you can find a great deal of information - all of which is presented in a format which is intentionally easy to understand for non-educationalists - about your child's curriculum. Our curriculum overviews are published at the beginning of each term and outline not only what the content of each subject for that period is but also what students need to do in order to excel. The documents are compiled in school by our subject specialist teachers before being scrutinised by senior leaders so that we too can be sure that the jigsaw which is a secondary school curriculum has all the right parts in all the right places. If any parents have any queries about what is being taught or studied at any time, then they are welcome to contact teachers directly via the school email addresses published previously.

I would also like to highlight the key dates/events coming up over the next few weeks in school: our KS4 options booklet will be published to parents/students on Thursday January 25. The following week, on Tuesday January 30, we will hold an options meeting for parents in school, details of which will be communicated in greater detail in due course; on Sunday February 04, our SHAW (Sports, Health & Wellbeing) week begins, with secondary students once again having the opportunity to visit Al-Wakrah SC sports complex in order to use their wonderful facilities; at the end of this week, on Saturday February 10, we will hold our DBS Wakra Health & Wellbeing In The Community Fayre from 10.00 - 14.00, with the first half of term two coming to a close on Monday February 12.

Yours sincerely,

Steven Miles.

## Y

#### Dear Community,

The DBS Wakra Health & Wellbeing In The Community Fayre is fast approaching, and we're thrilled! Join us in making it a resounding success by following our four 'S' principles:

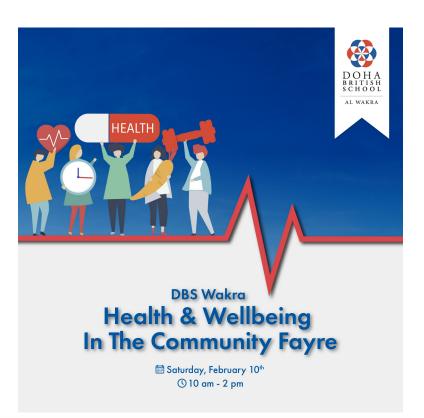

- Showcase your small business or offerings at the Fayre.
- Share your creative talents, hobbies, or artwork.
- Strengthen your school community ties by participating actively.
- Seek out sponsorship opportunities or connect us with potential sponsors.

For those ready to take the lead, consider volunteering for:

- a) Vendor Liaison Team
- b) Sponsor Liaison Team
- c) Event and Logistics Team

Your involvement matters. Let's make this Fayre unforgettable!

FDBS Committee - DBS Wakra +971561342146 (Whatsapp only)

#### Newsletter

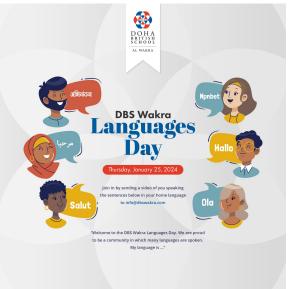

Next week, on Thursday January 25, we will hold a Languages Day during which we will highlight the many languages spoken within our school community. We are proud to be an international school which not only respects our unique cultures and different backgrounds but also which proudly serves our local and our global communities.

Our linguistic community is diverse, with over twenty languages spoken as a first language at home. The most widely spoken languages in our school are Arabic, English, Indonesian (both Bahasa and Javanese), Urdu and Hindi. Many of our students are multilingual, as are also many of our teachers and other professionals. This commitment to both language study and language usage at a very high level makes me very proud indeed to serve such an inclusive and progressive organization.

Ahead of the day itself, I am keen for us to highlight further the multilingual nature of our community by creating a video to be shared online of students speaking in different languages. If clips of students saying the phrases below could be sent to info@dbswakra.com then our marketing team will release a montage of the separate videos. Ideally the videos sent to us should be as high-quality as possible with very little background noise. Also, if the videos could arrive with an email explaining which language is being spoken,

then that would really help us to put the video together!

"Welcome to the DBS Wakra Languages Day. We are proud to be a community in which many languages are spoken. My language is ..."

### Stars of the week
